Re: ER 06-1073-101-B
HS: Proposed Installation of Blast Curtains on Windows
AMTRAK 30th Street Station, Philadelphia

Dear Mr. Dunn:

The Bureau for Historic Preservation (the State Historic Preservation Office) has reviewed the above named project in accordance with Section 106 of the National Historic Preservation Act of 1966, as amended in 1980 and 1992, and the regulations (36 CFR Part 800) of the Advisory Council on Historic Preservation as revised in 1999. These requirements include consideration of the project's potential effect upon both historic and archaeological resources.

The Bureau for Historic Preservation has reviewed the plans and specifications for the above referenced project. We concur with the findings of the agency that these plans conform to the Secretary of the Interior's Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings. Therefore, this project will have no adverse effect upon the National Register listed or eligible resource referenced below.

30th Street Station, Philadelphia

Thank you for working closely with our agency to insure a well designed and acceptable project.

If you need further information in this matter please consult Susan Zacher at (717) 783-9920.

Sincerely,

Douglas C. McLearn, Chief
Division of Archaeology &
Protection
